Custom Anti-Slip Graphics

A cost-effective tool to enhance brand messaging and the safety of traffic areas.

modprint.com

Product Applications & Highlights

Custom anti-slip graphics are an effective prevention aid in the dangerous world of slips and falls. These products are fully custom to any size, shape, durability, color (even luminescent and transparent). All designed to help you avoid injuries, reduce costs, and increase brand awareness.

Highlights

Durable

Mineral coated, long lasting adhesive

Easy to Install

No specialized training required for installation

Safe

Low profile, slip-resistant adds foot anchor points

Applications

for general shoe traffic

for irregular, contoured surfaces

for barefoot, wet conditions

for extreme, oily conditions

Fact:

In the U.S., there are more than 180,000 slip, trip and fall injuries per year, which cost businesses more than \$13 billion in workers' compensation.

Fact

26% of nonfatal occupational injuries and illnesses requiring days away from work were the result of slips or falls.

Application Ideas:

Retail stores, stairs, locker rooms, pools, boats, exercise equipment, conveyors, ladders, ramps, platforms, vehicles, ships, planes, heavy equipment
