Sustainable Magnetic Receptive

A sustainable graphic to reduce costs, eliminate install pain,
and heighten brand messaging.

modprint.com

Product Highlights & Key Benefits

Sustianble Magnetic Receptive or SMR (patent pending) offers the same benefits of magnetic receptives, but is PVC free, recyclable, efficeint, and affordable. We developed this product to help your organization meet sustainabillity goals, reduce cost, install, and effort.

Key Benefits

Quick / Easy Install

Simple as applying a magnet

Cost Effective

Ideal for constant promotional cycles

Sustainable

Achieve your eco-goals

Highlights

Recyclable

Clean / No Adhesives

Reduces cost for frequent changes

PVC-free

Did you know?

Environmental responsibility has been the fabric of our business model since 2009. 13 years, 17 awards, and 25 projects later: we have reduced our (and our customers') solvent, material, energy, water, and even gas emssions. AND we are just getting started!

When you partner with us, you join our movement for a cleaner earth.

Fact

SMR can be recycled via typical recycling stream.

Specs:

Screen / Digital Capabillity, Ink Systems: Digital UV, Latex, LED, PWS Screen Inks, Unlimited Applications, Long-Lasting Shelf Life, Fully Custom Fixture / Graphic Sizes
